Due to the swimming session beginning in the pool at 09:30, the coach will leave exactly 09:00am. The coach will be returning the children at 11:15am. The final session will be on **28/03/2022**. They should have with them the following items:

- 2) Swimming trunks or swimming shorts (not Bermuda style)
- 3) Towel
- 4) Hairbrush/comb

All these items should be in a suitable swimming bag. Please note that no talcum powder, money or aerosol spray deodorants will be needed. Earrings will need to be removed for every swimming lesson. If earrings are not removed your child will not be able to take part.

Before your child begins their swimming lessons, please ensure we have up to date contact details and medical records for them. If you have any questions please do not hesitate to ask.

Kind regards
