

An aerial photograph of a residential camp. In the foreground, a large, calm blue lake occupies the bottom half of the frame. The middle ground features a wide, green lawn. On the left side of the lawn, there is a long, multi-story building with a dark roof and several gables, likely a dormitory or dining hall. To the right of this building, there is a smaller, bright red barn. Further right, there are two tall, cylindrical concrete structures, possibly water towers or ventilation stacks. In the background, there are more buildings, trees, and a clear blue sky. The overall scene is bright and sunny.

Residential Trip Whitemoor Lakes
