

Friday 19th November 2021

Dear families,

Govilon Residential Trip

Thank you for your returned Govilon Residential consent forms and your patience while we received the final few admissions. We can now confirm your child's place on the trip.

You can make the payments for the trip via the the Arbor App or Parent Portal by clicking on 'Trips'. You will see there is an amount of £160 to pay between November 19th and March 1st. You can make these payments in instalments, at a time that suits you but we do recommend you make the instalments on a monthly basis.

The deposit of £40 is non-refundable. If your child can no longer attend, please be aware there is a cancelation period you may not be able to claim your money back.

If you would like to use your Pupil Premium voucher to pay for the deposit, please make the office staff aware. As discussed at the residential meeting there will be a balance to pay. This will be due in March and will be set up as a separate payment. The balance will be approximately £10.

Registration Information	
Registration status	The registration window for this trip is not open yet. Registration opens on 19 Nov 2021, 11:21, so please come back later to secure Eevee's place on this trip.
